COMPLETE PACKAGE

CLASSROOM ONLY

BEHIND - THE - WHEEL ONLY

Thank you for choosing the Enhanced Driving Institute for your Driver's Education training. Our classroom course will meet and exceed all State of Minnesota requirements needed to test for a driver's permit and begin the behind-the-wheel training program. Successful completion of this program in its entirety will meet all requirements necessary to test for a Driver's License when eligible.

Complete Driving Package - The Enhanced Driving Institute agrees to provide 30 hours of driver's education classroom instruction and 6 hours of behind-the-wheel training. A deposit of \$100 is due to secure your spot in the classroom session. This will be applied to the total tuition cost. The remaining balance is due by the last day of classroom instruction.

Behind-the-Wheel - The Complete Package includes three driving lessons (2 hours each). Students must have their photo permit to take driving lessons and provide to instructor when asked. The first driving lesson should be taken about 6- 8 weeks after obtaining the permit with about 8 -10 hours of behind-the-wheel experience with their parents. If parents or teen would like to have their first lesson sooner, EDI can usually accommodate. Driving lessons are 1-on-1 with the instructor. There may be another student in the vehicle at the beginning and/or end of the lesson for approximately 10 minutes. **Rochester/Byron** - Pickups and Drop-offs at our campus are free. \$10 pickup and \$10 drop-off fee is charged for locations within our designated pickup/drop-off zone. **Dover Eyota and Chatfield** come to EDI Campus for driving lessons. **PEM/Winona/LaCrescent** - High School Pickup and drop off.

Scheduling Driving Lessons - All driving lessons should be scheduled online. Driving lessons must be scheduled 30 days apart. EDI reserves the right to cut a driving lesson short for any of the following reasons: safety, inattention, fatigue, not following instructions and irresponsible behavior. If a cancellation occurs for any of these conditions, the lesson will be coded as "make-up required" and the student will be charged for the make-up lesson (\$75 - see Missed Lesson Fee below). By Lesson 3, the student's skill level should be good enough to make a valid attempt at our final road test. If skills are far below standard lesson 3 will be cut short and a make-up session will be required (missed lesson fee is applied.)

Missed Driving Lesson Fee - The cost of a late cancellation or "no-show" is \$75. This fee is in addition to the package price. Cancellations must be made via student account and more than 48 hours before the scheduled appointment to avoid a cancellation fee. A \$75 fee will be assessed to your account under the following circumstance:

- If less than 48-hour notice of cancellation or if any of the reasons above are observed by instructor.
- If student does not possess a valid permit when the instructor arrives for the scheduled lesson.
- If the student is not available for the driving lesson at the scheduled appointment time. (The instructor will wait for 10 minutes). Instructors will not call students that are late as too much time will have passed.

Additional Services: Extra Driving Lessons are available. See our website for more information on cost. Extra lessons fall under the same contractual agreement and fees will be assessed if a lesson is missed.

Contract Terms: EDI is providing a 10 month duration of training beginning the day the classroom session starts. If all classroom and driving lessons are not completed within the 10-month term, your contract with EDI will be closed with no refund for the unused training. At the discretion of EDI, we may allow a 6-month extension for a \$75 reinstatement fee. (The extension is not an option for students who have not completed at least 1-driving lesson within contract terms. They will need to pay \$100) This fee cannot be waived for any circumstances and all training within 6-month extension fall under this contract. EDI reserves the right to cancel any contract before expiration without reason however will issue an appropriate refund based off current status of contract. BTW Only Purchases have 12 months to complete their training.

Refund Policy - Classroom: If requested, EDI will refund all payments made if the request is made prior to 2-weeks before the class session begins. If a refund is requested within 2-weeks or after the class has already begun, a cancellation fee will be charged (\$100 minimum). This is due to the limited seating available.

Refunds Policy - Behind-the-Wheel: If a student enrolls in our complete package and later requests a refund for the behind-the-wheel portion of our program they are subjected to a 25% cancellation fee of the amount being refunded. This fee covers the cost of necessary account changes, state reporting and letter of classroom completion. Student's current contract status will affect refund amount. Non-Complete Package BTW refunds will be evaluated on an individual basis.
